Letter from the Principal

Dear Wyatt-Edison Community Members,

Though it might not feel like it, spring is just around the corner and we are nearing the end of the school year. This year has gone by so quickly and it has been a fantastic year for us all at Wyatt-Edison. CSAP is over and we appreciate your support in getting our students to school on time and every day. Even with the end of our big state test, learning will continue every day for the rest of the school year. Attendance continues to be important and teachers will keep working with every student to further achievement and growth. I hope you can all join us for our Parent Appreciation Party on April 30 from 4:00-6:30. I am sure it will prove to be a great time and a gathering to reconnect with each other while celebrating all of our successes throughout the year. We will also have a table set up for registration for those who still need to get your enrollment set for next year. Thank you for all you do to support our students and this school. We know you have a choice and we are honored that you choose Wyatt-Edison.

Best regards,
Linee Perroncel
Principal

CINCO DE MAYO CELEBRATION

Parents and Families:

Please come celebrate Cinco De Mayo with us on Wednesday, May 5th, from 3:45 - 5:15. Come and enjoy live music inside the Great Hall, outside activities for children, arts and crafts projects, free books, delicious food, and much more.

If you would like to volunteer your time to help with this wonderful event, please contact Jorge Merida or Ken Burdette at 303-292-5515. We look forward to seeing you on May 5th in celebrating Cinco De Mayo.

Letter from the Outreach Coordinator

Dear Wyatt-Edison Parents/Guardians,

I have exciting news to share with you! In our regular parent meeting of this month of April, (remember monthly meetings are on the 2nd Wednesday of every month at 5:30pm) we extended a cordial invitation to all of you parents because we had important issues to plan, share and discuss with you. The meeting was well attended and parent participation was excellent. We are planning a parent's festival here at Wyatt-Edison for the end of May. We will have food, games, crafts, prizes. We need volunteers and parents that can contribute festival articles and to help us attend the game booths and help with serving the food to parents and children the day of the event. We are going to have the help of Junior Academy students also. The idea behind this festival is, to bring our parent community together and build on it for next year and start increasing our parent involvement which is one of the most important parts of having a successful and strong Wyatt-Edison community.

Open Door Summer Programming

We are sad to announce that Open Door has decided not to offer summer programming at Wyatt-Edison this year. Reverend Kelly has expressed that he will take the time to refocus his program and come back bigger and better. We will be providing full day programming for students involved in Summer Scholars and our Summer Intensive program. We will also send home a list of local opportunities for all of our kids for you to choose from. Look for this information in Thursday Folders.

We look forward to working with Open Door in the next school year.

Parents and Guardians:

Denver Public Schools

Superintendent is seeking parent representatives to participate in the Parent Forum meetings. If you are interested please contact Ms. Perroncel at 3/292-5515 and she will forward your name to his office.

Thank You,

Wyatt-Edison

Hello friends and families of Wyatt-Edison,

Hi, my name is Ryan Glasspoole. I'm known as Mr. G or Mr. Glasspoole. I'm new this year at Wyatt-Edison. I started out as a substitute teacher and then became a paraprofessional for Mr. Horan. I am going to be a long-term substitute for Ms. Lillrose while she is taking care of her new baby. I am married and have two little girls ages three and nine months. I have my teaching license in secondary social studies, but have had the pleasure of teaching math and being a tutor for language arts. I feel very fortunate to teach at Wyatt because I fell in love with the community as soon as I started. This is a very welcoming school and I truly appreciate the warmth that I have felt from all of the people here. I'm excited to teach and learn here at Wyatt-Edison.

Thank you,

Ryan Glasspoole
